

THUMBS UP TO SAFETY. Our gown stays put to protect.

Introducing: Blue Thumb Loop Poly Gowns

You told the LDI Innovation Lab about the risks inherent with fluids during procedures. Our Blue Thumb Loop Poly Gowns are worn by staff to cover their arms and torso down to below the knees. They keep fluids away from the caregiver and protect against the transfer of microorganisms, particulates, etc from or to the caregiver in a clinical space.

- › EASY DRESSING BY SLIPPING OVER THE HEAD WITH NO NEED TO TIE
- › THUMB LOOPS PREVENT SLEEVES FROM RIDING UP, EVEN WHEN DRESSING GLOVES
- › IMPERVIOUS TO FLUIDS
