

EnviroMed-Bag® Deluxe.

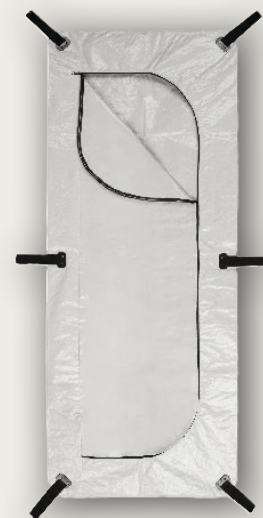

Built for Tough Recoveries.
Cleaner. Safer. Smarter.

OUR STRONGEST SOLUTION FOR TRANSPORTATION

Introducing the EnviroMed-Bag® Deluxe, built to remove and transport bodies in situations with extensive handling. An ultra-durable, PVC-free and chlorine-free solution designed to:

- Reduce tears during removal, transport, and storage.
- Prevent leaks and exposure to hazardous fluids.
- Simplify transport and storage by eliminating messy cleanup.
- Ensure safety with materials safe for cremation.

Our thicker material, available with or without handles, prevents rips and contains leaks, keeping your team safe and keeping every transport clean and dignified.
