

Post-Mortem Serpentine Needles.

Fewer Injuries.
Durable. Safer. Smarter.

A SMARTER SOLUTION FOR POST-MORTEM SUTURES

Introducing the Post-Mortem Serpentine Needles. A rigorously tested solution designed to:

- Remain sharper, longer.
- Allow for less traumatic passage through tissue.
- Reduce sharps injuries associated with dull needles.

Our strict quality control procedures for every Post-Mortem Serpentine Needle ensures sharpness, rigidity, and durability, and keeps your team safe and every procedure clean and dignified.
