

# CONTAINING FLUIDS AND ODORS... It can be draining.

## Introducing: Mort-Port® Drain on Demand Plastic Undergarments

You told the LDI Innovation Lab that you needed a solution that makes it easier to prevent fluid leaks and odors after embalming. That's why we designed an entirely new line of Unionalls and "Super" Capri Pants with our patented Mort-Port® drain-on-demand technology. The unique deathcare-specific plastic undergarments contain odors and allow you to quickly and easily drain fluids.
