

EVERY TISSUE DONATION MATTERS. Our Recovery Tools protect the donation and you.

Introducing: The TissueTool™

You told the LDI Innovation Lab about the challenges of recovering bone and tissue without damaging the donation or injuring yourself in the process. Designed with the input of tissue recovery technicians, the TissueTool™ increase the likelihood of a successful and safe donation. Made from autoclavable materials, LDI recovery tools can be used multiple times.

- > CUSTOM SHAPES & SIZES CAN BE CREATED WITH LOW MINIMUMS
- > SEPARATE ADIPOSE FROM THE DERMIS DURING SKIN RECOVERY
- > SHAPED FOR OPTIMAL REMOVAL OF ACHILLES AND HEMI-PELVIS
