

# WANT TO PROTECT YOUR STAFF? Get a better gown.

## Introducing: Yellow Isolation Gown

You told the LDI Innovation Lab about the risks inherent with fluids during procedures. Worn by staff to cover their arms and torso down to below the knees, our Yellow Isolation Gowns keep fluids away from the caregiver and protect against the transfer of microorganisms, particulates, etc from or to the caregiver in a clinical space.

- > EASY DRESSING BY SLIPPING OVER THE HEAD WITH NO NEED TO TIE
- > THUMB LOOPS PREVENT SLEEVES FROM RIDING UP, EVEN WHEN DRESSING GLOVES
- > FLUID RESISTANT
