

HONOR THE DONOR. HONOR THE GIFT. Our recovery tools protect the donation and you.

Introducing: EnviroSorb® Donor Restoration Wraps and Pads

You told the LDI Innovation Lab about the struggles of turning a donor over to the funeral home after recovery. Our EnviroSorb® Donor Restoration Wrap is the body wrap that simplifies the job. The wrap helps you contain fluids and provides bulk for a more natural appearance when transporting donor to a funeral home for preparation. Also available in a 16" x 16" pad.

- › CONTAINS UP TO 2.7 GALLONS OF FLUID PER WRAP
- › PROVIDES BULK FOR A MORE NATURAL APPEARANCE
- › COVERS THE TORSO, ARMS AND LEGS
