THERE'S NO MASKING IT. The right respirator matters.

Introducing: N95 Surgical Respirator Face Mask

You told the LDI Innovation Lab about the challenges of finding the right respiratory protection. Our N95 medical-grade respirator has been evaluated for use in healthcare settings according to recognized standards for biocompatibility, flammability and fluid resistance. It is constructed from high-quality materials with no exhalation valve needed. The lightweight construction ensures comfort, and an adjustable nose piece creates a personalized fit.

- > FILTERS OUT 95% OF PARTICULATE AEROSOLS
- > DUCKBILL SHAPE OFFERS OPTIMAL BREATHABILITY
- > SINGLE SPLIT COMFORT BANDS HOLD MASK IN PLACE WITHOUT IRRITATING SKIN
