

# STOP DRAGGING AROUND DIRT.

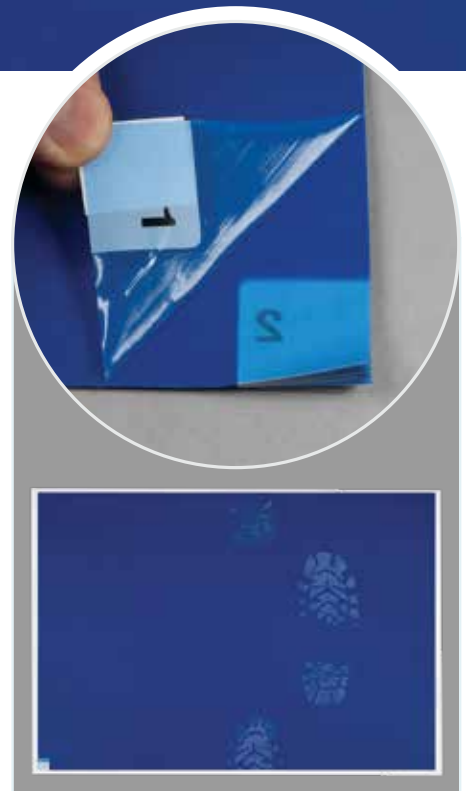

## These mats keep critical workplaces clean.

### INTRODUCING:

## Tacky Mats and Frames

You told the LDI Innovation Lab about the challenges of contaminated controlled workspaces. Our Tacky Mats are composed of 30 easy-to-peel-off, disposable, sticky mat sheets that effectively capture foot-borne and wheel-borne particulates before they enter the controlled work areas. Tacky Mat Frame panels can be used as a base, so you never have to attach tacky mats directly to the floor.

- › FRAMES CAN BE REUSED MULTIPLE TIMES BEFORE DISPOSAL
- › 30 NUMBERED LAYERS PEEL OFF EASILY TO REVEAL A NEW CLEAN SURFACE
- › NON-SKID BACKING ENSURES FRAME STAYS IN PLACE
